

AMIGOS DE FE

Be strong, and let your heart take courage, all you who wait for the LORD - Psalm 31:24 (ESV)

Continued Missions

I hope this message finds you well. I am pleased to share with you an update on the activities carried out in September at Compañerismo México y Amigos de Fe, where we continue to work with all our collaborators to help the community and spread the good news of our Lord.

This month, we continue to work and share the message of salvation from Our Lord Jesus Christ with individuals, institutions, and communities in Puebla and Mexico.

The month commenced with a remarkable visit from Joza Balmori, who imparted us a profound message of salvation and love for Christ. His presence was a tremendous source of encouragement for our congregation.

We were truly honored to welcome the international president of the fellowship, Steve Holder. Alongside our pastors and collaborators, he embarked on a meaningful mission in the Sierra Mazateca, Oaxaca, visiting communities such as La Toma, where a new congregation was inaugurated. His visit to Nogaltepec and Peña Blanca also left a positive impact.

Congregation Visits

On the 23rd and 24th, President Holder graced several of our congregations with his presence, including San Isidro, Plan de Ayala, Tlaxcalancingo, Atlixco, San Pablo Xochimehuacan, Ocotlán, and San Martín Texmelucan. His visit was incredibly inspiring and deeply motivated all our leaders and members.

Celebrations & Events of the Month **Silver Threads Celebrations**

Our "Hilos de Plata" group continues to support and encourage our senior adults, who are a fundamental part of our community.

Mexico's Independence Day

To celebrate Mexico's Independence Day, we organized a kermés that was a great success. We enjoyed music and traditional dishes, which further strengthened our community ties.

Leadership Breakfast

Our leadership group enjoyed a delightful breakfast with Steve Holder and was moved by his inspiring message during our services on September 22.

Women's Breakfast

We also continued our women's breakfast, where we discussed topics of value and empowerment for women, always grounded in the Word of God. This gathering has been very well received and has strengthened our participants.
